

Name: Muhammad Shahzaib

Address: House No L/65 Gulshan-e-Bilal Surjani Karachi, Pakistan

Phone Number: +923452825027

Email: shahzaib1224@hotmail.com

LinkedIn: <https://www.linkedin.com/in/muhammad-shahzaib-90a852273/>

Objective:

Modern Full-stack Web Developer with a master's degree, specializing in remote work and freelance projects. Proficient in Next.js, React TailwindCSS, and PostgreSQL, with a strong foundation in HTML, CSS, JavaScript, and TypeScript. Seeking remote and freelance opportunities to leverage technical skills and deliver high-quality web solutions.

Professional Experience:

- Successfully executed remote work, collaborating across time zones and cultures to deliver web solutions.
- Utilized Next.js framework to develop high-performance and SEO-friendly websites, meeting project deadlines.
- Designed and implemented visually appealing user interfaces using TailwindCSS, ensuring client satisfaction.
- Conducted regular client meetings and maintained effective communication throughout the project lifecycle.
- Integrated responsive web design principles, enabling seamless user experiences across devices.
- Implemented client-side functionality using JavaScript and TypeScript to meet project requirements.
- Managed backend operations with PostgreSQL, ensuring data security and performance.
- Leveraged Sanity.io for content management, streamlining content updates and maintenance for clients.

- Independently managed and completed freelance web development projects for various clients.
- Utilized Next.js, TailwindCSS, and other technologies to deliver responsive and visually appealing websites.
- Demonstrated strong project management skills, meeting project milestones and exceeding client expectations.
- Maintained open communication with clients, providing regular updates and addressing project requirements.
- Leveraged HTML, CSS, JavaScript, and TypeScript to create custom solutions tailored to client needs.
- Ensured data reliability and security by effectively utilizing PostgreSQL for backend data management.
- Streamlined content updates and maintenance with Sanity.io, enhancing client satisfaction.
